THE STUFF OF LEGENDS.

A STORY ROOTED IN QUALITY CRAFTSMANSHIP, INNOVATION & AMERICAN HERITAGE.

It all began back in 1928. Two young cousins, Edwin J. Shoemaker and Edward M. Knabusch, joined together to design a chair that would add both comfort and enjoyment to the lives of millions of families – and the world's first recliner was born! What began in the small community of Monroe, Michigan has expanded beyond recliners with thousands of dedicated workers in manufacturing facilities across the world. Not only can you feel good about your furniture, you can feel good about how it's made.
